

**Standard disclosure form for CITES declarations of interest
(First page)**

A "conflict of interest" refers to any current financial interest which could significantly impair the individual's impartiality, objectivity or independence in carrying out his or her duties as a member of the Committee. A candidate's employment by itself does not automatically constitute a conflict of interest.

1. Do you or an immediate family member have any financial interest in the subject matter of the meeting or work in which you will be involved, which may be considered as constituting a real, potential or apparent conflict of interest?

Yes: No: If yes, please provide details:

2. Do you have, or have you had during the past four years, an employment or other professional relationship with any company, organization or institution directly involved in the harvesting, breeding, propagation, domestic or international trade of specimens of CITES-listed species or directly representing the interests of any such entity?

Yes: No: If yes, please give details in the box next page.

I hereby declare that the disclosed information is correct and that no other situation of real, potential or apparent conflict of interest is known to me. I undertake to inform you of any change in these circumstances, including if an issue arises during the meeting or work itself and that I shall conduct myself in full compliance with the conflict of interest provisions set out in paragraph 8 of Resolution Conf. 18.2 on Establishment of Committees
