

CONVENTION ON INTERNATIONAL TRADE IN ENDANGERED SPECIES
OF WILD FAUNA AND FLORA

Twentieth meeting of the Animals Committee
Johannesburg (South Africa), 29 March-2 April 2004

IDENTIFICATION MANUAL

1. In accordance with Resolution Conf. 11.19, paragraph g), the Secretariat herewith provides a report on the progress made with the production of the Identification Manual.
2. A list of sheets that have been distributed since 1 December 2002, or that are in preparation, is included in the Annex.
3. The database on all published sheets of the Identification Manual has now been completed.
4. The process of converting all published sheets into electronic format is ongoing, and the first sheets will be included on the CITES website in the course of 2004.

Sheets sent to the Parties since 1 December 2002
