SUPPLEMENTARY INFORMATION ON DOCUMENT SC65 DOC. 42.1

1. This information document has been prepared by the Secretariat in relation to agenda item 42.1 on *Elephant conservation, illegal killing and ivory trade*.
2. Table C1 presents a summary of carcass data received and compiled by the CITES programme for Monitoring the Illegal Killing of Elephants (MIKE) between 2004 and 2013 in relation to the section in SC65 Doc. 42.1 dealing with illegal killing of elephants.
3. Tables D1 to D4 have been sourced from the CITES Trade Database and Species+ and provided by UNEP World Conservation Monitoring Centre in relation to the section on legal trade in ivory.
4. Tables F1 and F2 have been provided by the UNEP Division of Environmental Law and Conventions of UNEP in relation to the section on the African Elephant Fund.

Table C1. Summary of PIKE data received by MIKE between 2004 and 2013. PIKE values are given along with the total number of carcasses found (in brackets).
