

# NOTIFICATION TO THE PARTIES

No. 2025/079

Geneva, 19 June 2025

CONCERNING:

PANAMA

Zero export quotas for wildlife specimens

1. This notification is published at the request of Panama.
2. Panama wishes to inform the Parties that the country maintains zero export quotas for wildlife specimens harvested from the wild (W).
3. The following transactions are exempt from the above measures: transactions for scientific, personal, medical, educational and law enforcement/judicial/forensic purposes. These transactions must comply with the respective procedures for requesting the corresponding authorizations.
4. The zero quota will be maintained until the country has made non-detriment findings for the required species.
5. In this regard, Panama urges all Parties to verify the validity or legality of permits by contacting the CITES Management Authorities of Panama, whose email addresses are listed on the CITES website, sending a copy to the following address: [cites\\_panama@miambiente.gob.pa](mailto:cites_panama@miambiente.gob.pa)
